

Directions from Palma Airport to Las Velas

When you leave the airport car park where you collected the hire car, take the left hand lane which says Santanyi which is quickly followed by a second left signed Santanyi.

- 1) Keep left at the fork, follow signs for Platja de Palma / Santanyí and merge onto Ma-19 (also known as the C-717)
- 2) Keep on the Ma-19 following signs for Santanyi and Campos driving past a town called Lluc Major.
- 3) After about 25 minutes you will come to Campos where you should see a supermarket on your right hand side. There is also a petrol station here which you could use to fill up your car on the way home (if returning tank full).
- 4) You can either take the road which bears to the right of the supermarket which is the ring road or the road to your left takes you directly through the old town (where you find people drinking coffee literally in the street).
- 5) Once you drive through Campos head for Santanyi.
- 6) The next town you will drive past is S'Alqueria Blanca
- 7) Keep on the main road (still the Ma-19 / C-717) and you will, after ten minutes or so, come to a large and newish roundabout. If you take the right fork this will take you to Cala Mondrago (our favourite beach!). Go straight over the roundabout heading towards Porto Petro.
- 8) Before you get to Porto petro you will see a very sharp turning on your left hand side which runs down a steep hill to a small cove. Take this turning and follow the road around the water.
- 9) Keep on this main road which will, after another steep incline and a two right hand bends, take you on a very straight road that leads towards Cala Egos.
- 10) Continue along this road and at the roundabout take the 3rd exit (the left hand turning). At the next roundabout take the first exit (turning right)
- 11) At the next roundabout take the first exit again (turning right) and this will lead you onto a one way circular road with greenery in the centre. Straight ahead of you will be the hotel Puerto del Sol. Drive past the front of the hotel, take a left and park anywhere you can.
- 12) In front of you will be the Las Velas complex. We are number A3 which you will find down a few steps on the left hand side of the road that runs down the side of the hotel. You will see the name DAVIES by the front door.
- 13) The door will be double locked.
